*Some of travel and payment method for travellers coming into Malaysia

Travellers from 40 countries with “Variant of Concern (VOC) SARS-CoV-2” are required to undergo 14 days quarantine, and can pre-register for TracAPM QR Code to experience safe and fast travel check-in and make payment for quarantine fees online at SafeTravelPass (STP), before coming into Malaysia.

SafeTravelPass or “STP” is approved by government of Malaysia to facilitate travellers entry registration and Covid-19 PCR payment, verifiable by Malaysia government system TracAPM upon arrival operated by Malaysia Civil Defence Force (Angkatan Pertahanan Awam Malaysia, “APM”).

All travellers, including those who did any other alternative payments and quarantine hotels booking can register for TracAPM QR Code Express Check-in at <https://safetravelpass.com.my/>

Variant of Concern (VOC) SARS-CoV-2 @ 28 April 2021

VOC travellers are required to undergo 14 days quarantine, while non-VOC travellers are required to undergo 10 days quarantine, or 7 days quarantine if PCR test report taken within 72 hours is provided and verified by Minister of Health officer upon arrival.

Quarantine “Basic” or Standard Package is randomly allocated by government upon arrival, including transport to Quarantine Station (QS), QS Room, and 3 meals a day. Visit Ministry of Health (MOH) web site for more information: <https://www.moh.gov.my>
